

MERCADINHO DA TURMINHA

Para realizar esta atividade, imprima e recorte as listas de compras e os elementos do mercadinho.

Distribua as listas entre os alunos e posicione os itens em uma mesa, de modo que os alunos possam procurar e identificar os alimentos correspondentes a sua lista.

Para trabalhar noções financeiras, recorte e utilize também as cédulas de dinheiro falso (pag. 6 a 8) e distribua igualmente entre os alunos. Em seguida, organize e precifique os itens do mercadinho, convidando-os para irem às compras.

Esta atividade também pode ser realizada utilizando embalagens vazias de produtos alimentícios ou de limpeza, como embalagens de feijão, arroz, biscoitos, macarrão, pasta de dente, detergente, etc.
